Procedures training at the beginning of the year and after Winter Break in January. These procedures made for a smooth transition for COVID-19 precautions.

Fix-It Tickets: How are we going to repair the behavior.

- Farr West Business:
- Covid
  - o water bottles and masks

Because of procedures already in place, state mandated didn't change much for us at Farr West. Farr West Elementary is doing well as far as COVID-19 students who have tested. We still continue to be vigilant about procedures in order to keep students and staff safe and students in school.
