

FARR WEST ELEMENTARY SCHOOL SHIRT INFORMATION 2017-2018

The first round of orders is closed but a new one is open. It will run from August 2nd and until Sept 4th. We should receive this shipment and have them delivered to the school no later than Sept 20th. **THERE WILL BE NO SHIRT SALES AT BACK TO SCHOOL NIGHT, IT WILL BE A PICK UP FROM THE FIRST ORDER ONLY!!!!**

There will be two choices of t-shirt material, an economy, which is a jersey knit, or a premium, which is a tri-blend. Hoodies and Zip ups are available as well, although there will not be a t-shirt/hoodie combo because all items are being priced at cost and ordered online. We have never made much money from t-shirts in the past anyway, but this year we will be making \$0 so there will be no money to make up the difference for the t-shirt/hoodie combo. **You will have the option to pay with your card online or pay us by cash or check. If you are paying with cash or check you will need to have the money to us no later than the order close date or your order will be cancelled.**

We are very excited about this new way of ordering t-shirts and feel it will help us to keep this process much more organized.
