- Review of Goals for School Improvement Plan.
 - Focus on ELA with Language Arts instruction 120 minutes per day with 30 minutes writing instruction.
 - School-wide Four Square writing focus
 - DIBELS Assessments

 - Grade Level Teams have met and discussed ways to improve ELA in each grade and throughout the school
 - One idea was to expand aide time to the upper grades next year
- Discussion about TrustLand money for next year... Proposed Ideas:
 - ELA Aides
 - Professional Development (Innovations Ed.)
 - Substitute Teachers for PLC's
 - 1:1 Chromebook devices
- Discussion about what 1:1 devices look like for elementary classrooms vs. secondary.

- In elementary 1:1 means that there is a Chromebook assigned to each student but they would be left at school and not sent home with students. The teachers would decide when and how to use them.
- Suggestion of training for teachers on how to use the Chromebook effectively and keep students accountable for what they are doing on the Chromebooks.
- The Community Council approved the idea and Mr. Hales' next step to approach the faculty about the idea.
