Meeting was called to order by: Erin Jepsen

Agenda:

1. Update on 1:1 Chromebooks
2. Review Next Year's Plan
3. Vote

Meeting Notes:

- Dave explained that they found a setback in the 1:1 Chromebook plan for next year. They need carts to house the Chromebooks for each classroom. The school has 7 and we need 26. The cost of a Chromebook cart is \$1,200. Dave has plans to ask Weber High about using their carts no longer in use, applying for a grant from the Weber Foundation, and asking local business partners for assistance in purchasing the carts for the school.
- Aimee presented information on 1:1 Chromebooks which she found in contacting the community council at Wahlquist. Overall, the teachers and administration felt that Chromebooks were a positive addition to the tools used in the classroom.
- Dave reviewed next year's Trustlands plan, highlighting some changes due to costs of Chromebooks being higher than was originally planned. Professional development will now be paid for by the school to help offset the higher cost of the Chromebooks.
- Next Year's plan was then voted on and was unanimously approved by the council members. Jessica Bennington placed an affirmative vote previously, as she was unable to attend the meeting.

Adjourn the meeting: Motion: Erin Jepsen Second: Becky Strebel
